Welcome to our Winter Session

Hello Skating Families,

Riverview Skating Club would like to thank you for registering with us for our winter session.

CanSkaters & PreCanSkaters - As you have noticed the nametags are placed out on the table each night. Please return them at the end of each night, there is always a blue bucket for them to be returned too. A few important things to remember are that we ask parents to remain on the bleachers, as it is distracting to your own skater, the other skaters and the coaches. **Also, no fuzzy mittens** as they stick to the ice when they skaters fall. Please try to have your skater ready to go on the ice when the class starts.

Again, thank you for joining us. Any questions or concerns can be addressed by sending an email to riverviewskatingclub@gmail.com

Spring Skate Competition

Riverview Skating Club will be hosting the 2020 SCNB Spring Skate Competition in April 2020. This is a huge fundraising opportunity for our club. This enables us to keep our prices down (compared to other local clubs our programs only cost about ½ as much to join). If you own a business, and are interested in sponsoring the competition please send an email to Rose Cook, competition chairperson at cook.rose@hotmail.com for more information.

Save the Date

Our Annual Ice Show will be Saturday, March 21st. Tentative time is 2pm-4pm. This is an event in which we encourage all of our skaters to attend from Pre-CanSkate all the way to Competitive Skaters. More information will be available as we get closer to the date. Practices are during the regular sessions during the week before the show. We hope you all can join us!
